

EEAに対する個人情報保護について
Protection of Personal Information for EEA

**JAPAN ATOMIC ENERGY AGENCY
FOREIGN NATIONAL VISIT PROPOSAL
For EXPORT CONTROL**

Residents in any one of EEA member countries (member countries of the EU, Iceland, Liechtenstein and Norway) and the United Kingdom (UK) are requested to read and confirm the following notes. If you do not confirm, JAEA cannot accept your visit.

Notes for General Data Protection Regulation (GDPR)

- Personal data acquired through this visit proposal will be used only for the following purposes:
 - (1) the procedure for foreigners visiting JAEA
 - (2) the export control procedure in JAEA
- Personal information will be transferred to Japan, and stored in JAEA's server in Japan. JAEA will manage personal information of the respondents in an appropriate manner while the framework certified by the European Commission and the UK government to transfer personal data between EEA or UK and Japan with respect to compliance with the criteria for data protection is not applicable to public-sector agencies of Japan including JAEA.
- A respondent has the right to require JAEA the access to his/her own personal data, correction of his/her incorrect data, and restriction to data processing during the verification of the correctness of personal data.

For inquiries, please contact to the International Affairs Department (kokusai-vp@jaea.go.jp) which is responsible for this registration. If you are unsatisfied with the handling of personal data by JAEA, you are entitled to file a complaint with the supervisory organization of a member country of EEA or UK.

The respondent has the right to withdraw this agreement at any time, and such withdrawal has no impact on the legality of data processing procedures and /or data transfer, both conducted before the withdrawal.
